

Booms

Cropmaster Booms

The Cropmaster booms are a practical off-the-shelf option for farmers. Fitted with an adjustable tension forward/backward breakaway system, they fold up neatly across the rear.

The booms are fitted with non drip bodies, quick release self aligning tipcap nozzles. Booms are finished in a hot dip galvanised metal coating. Available in 6m, 8m, 10m and 12m boom widths. All Cropmaster booms have stainless steel boom tubes.
