Tank & Equipment Cleaner

Spraymate™ Tank & Equipment Cleaner

Thoroughly clean your sprayer when changing from one pesticide to another. Powerful detergents remove residues from inaccessible areas in the tank and spray lines. It also removes rust and hard water scale and leaves a protective film to prevent corrosion during storage. Prolongs sprayer life.

ORDER CODE	DESCRIPTION	\$ (EX. GST)	\$ (INC. GST)	PROD. CAT.
L-H9704	SPRAYMATE TANK & EQUIPMENT CLEANER, 600g	\$21.00	\$23.10	X

Chemical Mixers

Chem-e-flush 30 litre

Ideal for linkage & small trailed sprayers. Fully enclosed with rinsing nozzles for flushing containers & the mixer internally. Ensure you mix chemicals safely.

Chem-e-flush 60 litre

Used on larger linkage sprayers and large trailed sprayers. Fully enclosed with rinsing nozzles for flushing containers & the mixer internally. Mix safely and use the spray pump to activate fast-suction venturi. Models for Diaphragm & centrifugal pumps.

Portable Chem-e-flush 60 litre

Mix granules, powders and liquids in safety. Two models – one for fitting to existing pumps, the other has its own centrifugal pump, 240-volt. Ideal for the sprayshed.
