

Trailed 300 litre, CropPak 500

Trailed 300 Litre Sprayers

Croplands range of trailed 300 litre sprayers is proving very popular for block-holders & small farms all over Australia & New Zealand. Models include our 12-volt range with or without a boom, and the motorised versions with an AR diaphragm pump for spot spraying, nursery use and for use with the Vertiboom on small vineyards. The sturdy frame has a tow-hitch fitted.
